My dear Fathers, Sisters & Brothers,

A Very Happy New Year to you!

We are in the New Year 2025. It becomes a special grace filled year as we celebrate the Jubilee of the birth of Jesus, our Lord and Saviour. We are pilgrims of hope. All of us are invited to have an intense experience of the love of God. This is not a solitary pilgrimage of hope but a synodal. Therefore, with much commitment, let us implement our special pastoral program launched by the diocese, in keeping with the guide lines of the Holy See.

Our first pilgrimage in the Jubilee Year is to the Shrine of St. Joseph Vaz at Maha Galgamuwa. I have named St. Anne's Cathedral, Kurunegala, the church of Our Lady of Good Health at Polgahagara in the parish of Dunakadeniya, St. Anne's Shrine, Kattimahana and the Calvary shrine at Mawathagama as the places of pilgrimages to receive indulgences during this jubilee year. Regarding receiving indulgences, I will be sending a circular, so that it will be read in all the churches in our diocese of Kurunegala, to help the faithful.

The feast of the Holy Family was organized by Fr. Rufus Thalis, the Diocesan Director of the Family Apostolate at Mandakondana with the generous assistance of Fr. Sampath Sujeewa, the Parish Priest and the members of the family apostolate.

The general transfers are effective from 01St January 2025 and the transfers should not be any obstruction to go ahead with the Jubilee year program.

Rev. Fr. Andrew Fonseka celebrates the silver Jubilee of his Priestly Ordination on 29 January. Let us thank the Lord for this mysterious gift. The diocesan celebration will be held at a later date together with the other Jubilarians.

We extend our prayerful greetings to Msgr. Gnanapragasam Anthonipillai, the Bishop-elect of the diocese of Mannar. At present, he is the Administrator of the Shrine of Our Lady of Madhu. The Episcopal Ordination will take place on Saturday, 22 February 2025 at the Madhu Shrine.

We also thank Bishop Fidelis Emmanuel Fernando, the Bishop Emeritus of Mannar for his services to the diocese as well as to the Church in Sri Lanka. May God bless him abundantly!

The first day of the Eucharistic Adoration and the presbyteral meeting in this new year will be on Monday, 10th February at 9.00 a.m. in the Bishop's House. Kindly be on time to meet the Lord in the Eucharist as a presbyteral family.

God bless you!

‘A Jubilee grace’: Vatican announces Holy Year Indulgence

The Catholic faithful will have multiple ways to gain the Jubilee Indulgence for the 2025 Holy Year, according to a new decree promulgated by the Apostolic Penitentiary – the Vatican Office with overall responsibility for the granting and use of indulgences.

In the wake of the Second Vatican Council, Pope St Paul VI taught, “An indulgence is a remission before God of the temporal punishment due to sins whose guilt has already been forgiven, which the faithful Christian who is duly disposed gains under certain prescribed conditions through the action of the Church which, as the minister of redemption, dispenses and applies with authority the treasury of the satisfactions of Christ and the saints.” Indulgences are plenary (full) or partial depending on whether they remove all or part of the temporal punishment due to sin.

Becoming pilgrims of hope

Recalling Pope Francis’ invitation to all Christians to become “pilgrims” of hope, the Apostolic Penitentiary’s Decree is intended “to encourage the souls of the faithful and nourish the pious desire to obtain the [Jubilee] Indulgence seen as a gift of grace specific to the Holy Year.” Hope, the Decree says, “is a virtue that must be sourced above all in the grace of God and in the fulness of His mercy.” Recalling the Pope’s declaration that the Jubilee Indulgence “is a way of discovering the unlimited nature of God’s mercy,” the Penitentiary says, “The [Holy Year] Indulgence, therefore, is a Jubilee grace.” After confirming that all other indulgences remain in force, the Penitentiary establishes three main ways to gain the Jubilee Indulgence: Pilgrimages to any sacred Jubilee site; pious visits to sacred places, and works of mercy and penance.

Pilgrimages

The first category of Jubilee places includes the four Major Papal Basilicas in Rome (St Peter’s, St John Lateran, St Mary Major, and St Paul’s Outside the Walls); and the Holy Land Basilicas of the Holy Sepulcher in Jerusalem, the Nativity in Bethlehem, and the Annunciation in Nazareth; as well as Cathedrals and other churches or sacred places designated by Bishops in the particular Churches. The Indulgence can be gained by “devoutly” participating in Holy Mass at the site, or by taking part in a Liturgy of the Word, the Liturgy of the Hours (Office of Readings, Morning Prayer, Evening Prayer), the Via Crucis, the Rosary, the Akathist Hymn, or a penitential service that includes individual confessions.

Visits to sacred places

The “sacred places” described in the second category include the Roman Basilicas of Santa Croce in Jerusalem, San Lorenzo al Verano, and San Sebastiano; as well as the Sanctuary of Divine Love (*Divino Amore*), the Church of St Paul in Tre Fontane, and the Catacombs. Special mention is made of the churches of the Jubilee Pathways linked to member countries of the European Union and to female Patron Saints and Doctors of the Church.

Other sacred places throughout the world include two Basilicas in Assisi, Marian sanctuaries in Italy, and “any minor basilica, cathedral church, co-cathedral church, Marian sanctuary, or any distinguished churches designated by local bishops. The faithful are required to spend a “suitable” amount of time during their visit in Eucharistic adoration and meditation, concluding with the recitation of the Our Father, any legitimate form of the Creed, and invocations to the Blessed Virgin Mary. Those who cannot go on pilgrimage or make a visit to a sacred place for serious reasons will be able to gain the Indulgence wherever they are by uniting themselves spiritually with those who do so, and reciting the Our Father, the Creed, and other prayers connected with the Holy Year while offering up their sufferings or hardships.

Works of mercy and penance

Finally, the Decree provides for the ability to obtain the Indulgence by performing works of mercy and penance. They can do so by taking part in popular missions, spiritual exercises, or formation activities on the documents of Vatican II and the Catechism, according to the mind of the Holy Father; or by visiting those in need (“in a sense, making a pilgrimage to Christ present in them”). Similarly, they can offer acts of penance (such as fasting and abstinence), donate to the poor, support religious and charitable works (“especially in defense of life in all its phases”), or engage in other volunteer activities.

Duties of bishops and priests

The Apostolic Penitentiary also grants Bishops the possibility of imparting the Papal Blessing “on the occasion of the main Jubilee celebration in the cathedral and in individual Jubilee Churches, with the Indulgence for all those who receive the Blessing, with the usual conditions. The Decree strongly urges “all priests” to be generous in offering occasions for sacramental Reconciliation, notably recalling the possibility of hearing Confessions while Mass is being celebrated. Priests accompanying pilgrimage groups outside of their diocese are granted faculties to make use of the same faculties granted them in their own dioceses, while confessors in Papal Basilicas and elsewhere will be granted special faculties as well.

Priests are invited to give penances that will be conducive to “stable repentance,” and to encourage penitents “to repair any scandal and damages” they have caused by their sins. Concluding the Decree, the Apostolic Penitentiary, reminding bishops of their office of teaching, guiding, and sanctifying, “warmly” invites them “to explain clearly the provisions and principles proposed here for the sanctification of the faithful, taking account of local circumstances, cultures and traditions.”

ANECDOTES & SCRIPTURE NOTES FOR ALL OCCASIONS

TOO MANY OPTIONS - *Discipleship, Baptism*

In our technical world, our lives are drowning in options that consume our time. Even watching television may be a giant undertaking because it seems to take fifteen minutes to go through all the 195 channels trying to choose what to watch. If we shop for spaghetti sauce, we have to choose from a dozen brands. The sad truth is that we have become "prisoners of options."

Reflection

Although some options in modern living may border on the ridiculous, having them is not always bad. Worse than options is the sad truth that we often assign equal value to the choices we have. Making decisions must always be responsible and legitimate. To use the example of abortion, it never be a correct, moral choice. The question of choice, by definition, suggests that the outcome would be a valuable one. We may have options concerning how we are to live out the details of discipleship, but what options do we have if Jesus invites us through baptism to follow him in fidelity? Only two: to accept whole-heartedly, or not to accept. What will our R.S.V.P. be?
